

**RND'05 – Big Hair & Beyond....**  
**Red Nose Day is coming, so whatever you do – Just Do Something!**

**On Friday 11 March teachers & students all over the UK will be donning their red noses and changing their look for the day to help transform someone's life forever.**

The brand new RND'05 Schools Kit, which is arriving at the school gates as we speak, has everything teachers and pupils need to make this year the best Red Nose Day EVER!

Sent to schools free with help from our friends at Persil, the kit is brimming with fun money making ideas, exciting lesson plans and special competitions – you might even win a school assembly hosted by one of CBBC's famous faces!

Everything in the Schools Kit is available online at [www.rednoseday.com/schools](http://www.rednoseday.com/schools), where you can also find groundbreaking interactive stories and an exclusive schools free prize draw to win 100 tickets to a private screening of **Racing Stripes**, the official film of Red Nose Day 2005.

The Schools Kit is jam packed with:

- Tonnes of **fabulous fundraising suggestions** for teachers and children of all ages to raise money to help people living incredibly tough lives across the UK and Africa. Teachers in uniforms, pupils in tutu's, head's in hotpants, the possibilities are endless!
- Detailed **lesson plans**, tutor time ideas, huge story posters and assembly guides which all explore some of the serious issues behind Red Nose Day and introduce eight children from Uganda and Ghana who are too poor to go to school but are being helped by a Comic Relief project.
- The brand new **RND'05 Schools Video**, produced exclusively by CBBC's Blue Peter and featuring Konnie Huq.
- Order forms for our exclusive **Nose Deposit Scheme** whereby schools can bulk order as many of the new Red Noses as they will need in advance, making sure that no child will be left noseless!
- News of the **Send My Friend to School Challenge** which gives young people in the UK a real opportunity to Speak Up for 100 million children across the world who are not getting an education.

Written by experienced teachers, the education materials will help children learn about the importance of education and friendship and introduce them to important global poverty issues. These themes are central to Citizenship and PSHE (and their equivalents in Scotland and Northern Ireland).

And don't forget, Red Nose Day fun doesn't need to stop at the end of a school day. Look out for a feast of CBBC treats including a Blue Peter Special from Uganda and a week of Comic Relief in da Bungalow!

What's more, make sure that you grab a red nose and settle down for an evening of top TV treats from 7pm on BBC One on Red Nose Night itself, Friday 11 March.
